

ABOUT ME

Drupal developer with 3 years of experience in site-building and backend development. Driven to provide excellent service and high-quality coding to create secure and functional sites for clients. Expert in Drupal and up to date on the latest developments and versions. Managed several projects for large corporate clients using both Drupal 7 and 8. Also, trained to manage the maintain the websites with the client's requirements and worked in the main US and African projects. Built multiple Drupal modules and leverage existing modules and contributed modules for the Drupal community.
